2 A. As we were leaving Chief Marino  
3 was showed up at the precinct.

4 Q. Where did you see him when you  
5 first saw him?

6 A. In the parking lot.

7 Q. What happened there?

8 A. We explained to him what we were  
9 doing. In other words, responding to a  
10 situation where an officer left the precinct  
11 and we were heading to the home now.

12 Q. What did he say?

13 A. He cautioned us to be careful  
14 and that we should have emergency service  
15 accompany us.

16 Q. Did Marino say anything else to  
17 you?

18 A. Not that I recall. Just be  
19 careful and that we should have ESU also  
20 respond. We were going to an officer's  
21 home.

22 Q. Did he indicate to you what it  
23 was that you should be careful about?

24 A. Well, in my tenure with the  
25 investigations unit, oftentimes officers

1                   CONFIDENTIAL - KURT DUNCAN

2       you with me?

3           A.       Yeah.

4           Q.       What was the next thing that  
5       happened after EMS took Schoolcraft's blood  
6       pressure?

7           A.       They indicated to him that his  
8       pressure was unusually high and for that  
9       reason alone he should be -- he should take  
10      a trip to the hospital to be checked out.

11          Q.       What happened next?

12          A.       At that point he agreed and  
13      decided he was going to go.

14          Q.       Then what happened?

15          A.       Somewhere along from upstairs,  
16      the apartment, to getting to the ambulance,  
17      I don't remember whether he made the call or  
18      a call came in, but he was on the phone with  
19      someone. At that point he mentioned -- he  
20      indicated that he was going to the EMS --  
21      going to the hospital. At that point, he  
22      turned around and rushed kind of like a  
23      raced walk and went back upstairs.

24          Q.       So you say you saw him race  
25      walk?
